

Information Services Board Briefing on the Department of Corrections IT Purchase Requests

Prepared by Tom Wallace, DIS/MOSTD, (360) 902-3569 tomw@dis.wa.gov

Presenters

Carol Meraji, Chief Information Officer, Department of Corrections

Curtis Richardson, IT Administration and Planning Manager, Department of Corrections

Purpose of Appearance

As required by the ISB at its March 10, 2005 meeting, the Department of Corrections (DOC) will ask for ISB approval to purchase information technology (IT) components related to twenty-six (26) projects. The details of these purchase requests are listed on page 8-10. Of the 26 requests, eleven (11) involve phone systems and IT cabling; twelve (12) involve hardware and software purchases; and three (3) involve purchased or personal services. The total value of these 26 requests is \$1,893,620.

Staff Recommendations to the Board

ISB staff has reviewed each request for compliance with ISB Policies and Standards for Information Technology.

Staff recommends the Board approve DOC's purchase of these IT components.
